RE.: Update on PREPA Representative for 800 MW Emergency Generation RFP

Dear Ms. Quiñones:

Thank you for meeting with PREPA's team this morning to discuss the progress your office has made on the 800 MW Emergency Generation RFP and the selection process.

During the meeting, you mentioned that Mr. Lionel Santa Crispin, Esq. has been serving as PREPA's representative in the ongoing negotiations with the selected proponents. Due to internal changes at PREPA, please note that, effective Monday, May 19, 2025, Mr. Félix Hernández Cabán, Esq., from PREPA's Legal Office, will take over as PREPA's representative for all matters related to the RFP.

If you need further information contact Mr. Hernández Caban at (787) 521-4616 or via email at felix.hernandez@prepa.pr.gov.

Cordially,

Mary Carmen Zapata Acosta, PE
Executive Director
