November 11, 2025

Dear NFE Team:

On behalf of Eng. Josué A. Colón, representing the Public-Private Partnerships Authority (P3A), and Attorney Osvaldo Carlo, representing the Third-Party Procurement Office (3PPO), we hereby affirm that, upon the conclusion of negotiations between NFE and the 3PPO—covering all contractual terms, including the two remaining points under discussion, namely:

(i) the exclusion of actions by government entities, specifically the U.S. Coast Guard, from the definition of Force Majeure, and

(ii) the agreement to establish a limitation cap of $35 million per year, up to a cumulative ceiling of $130 million for the duration of the contract. The resulting contract fully and accurately reflects the terms mutually agreed upon by the 3PPO and NFE.

We appreciate NFE's cooperation and good faith throughout this process and look forward to the successful execution of the agreement.

Sincerely,

Signed by:
