Response to Reconsideration Request – RFP 3PPO-0314-20-TPG

Dear NFE Power PR LLC:

We acknowledge receipt of your letter dated May 16, 2025, regarding your request for reconsideration in connection with the Request for Proposals 3PPO-0314-20-TPG for Temporary Emergency Power Generation.

We write to clarify the status of the referenced RFP. As of this date, no final award has been issued under this procurement process. The evaluation and negotiation phases remain ongoing. No contract has been executed with any proponent.

As outlined in Section 8 – RFP TIMELINE, the milestones presented, including the "Notice of Intent of Award" and any potential “Contract Signing,” were target dates subject to change. It is the responsibility of each proponent to remain informed of any updates via the designated PowerAdvocate® platform.

Furthermore, under Sections 11 through 14 of the RFP, the 3PPO and Genera on behalf of PREPA retain full discretion to modify the procurement schedule, reject any or all proposals, negotiate with one or more proponents, or ultimately determine that no award will be made. Participation in the RFP process does not create any right or entitlement to a contract.

We also reaffirm that selection for negotiations, as described in Sections 12 and 14, does not constitute an award. Any final agreement is contingent on the successful conclusion of negotiations and internal review processes. The issuance of a Notice of Intent to Award, when issued, does not establish a binding obligation on the part of the 3PPO, GENERA, or the P3A to execute a contract.

Accordingly, your reconsideration request has been noted. However, we reiterate that all proponents remain subject to ongoing review, and the final selection will be based on the terms of the RFP, at the discretion of the 3PPO and relevant authorities.

We further remind you that, pursuant to Section 20 of the RFP, any formal protest related to the outcome must be submitted within five (5) business days from the issuance of the official Notice of Award. As no such notice has been issued, the protest period has not yet begun.

Sincerely,

3PPO
