2. No public official or employee of P3, 3PPO and/or PREPA has solicited or accepted, directly or indirectly, by means of any person or entity with interest in this Procurement Process, including the Proponent, any goods of any value -including, gifts, gratuities, contributions, services, donations, loans, and/or any other item of monetary value- for themselves and/or for any member of their immediate family, and/or relatives, and/or for any person, as a form of compensation for performing the duties and responsibilities of their position in connection with this Procurement Process.

3. No public official or employee of P3, 3PPO and/or PREPA has solicited or accepted, directly or indirectly, by means of any person or entity with interest in this Procurement Process, including the Proponent, any goods of any value - including, gifts, gratuities, contributions, services, donations, loans, and/or any other item of monetary value- for themselves and/or for any member of their immediate family, and/or relatives, and/or for any person, in exchange for their actions being an influence in the end result of this Procurement Process.

4. I do not have a kindred relationship within the fourth (4th) degree of consanguinity and/or second (2nd) degree of affinity with public official or employee of P3, 3PPO and/or PREPA that participates or influences -or has the capacity to do so- in the institutional decisions of PREPA.

NON-CONFLICT OF INTEREST CERTIFICATION ON EXISTING OR PENDING CONTRACTS

I, Landon Gallagher, of legal age, of marital status (married/single), and a resident of Puerto Rico, have been designated as the authorized representative of Power Expectations LLC ("the Proponent") for the procurement process referenced in the title of this document ("Procurement Process"). In such regard, I hereby certify that:

1. There are no relevant facts or circumstances that could give rise to an organizational or personal conflict of interest for the Proponent or its staff with respect to the Procurement Process with PREPA. Nonetheless, the Proponent recognizes that situations may arise that may appear to be, or are, conflicts -or potential conflicts- of interest. The term "potential conflict" means reasonably foreseeable conflict of interest.

2. That there are no present or currently planned interest related to the work to be performed under the proposed contract that would create an actual or apparent conflict of interest or organizational conflict of interest with PREPA.

3. The Proponent will disclose to PREPA any relevant information of an apparent, potential, or actual conflict of interest that may appear to exist regardless of their opinion that such information would not impair their objectivity.

4. As per 2 C.F.R. § 200.318(c)(1), a conflict of interest would arise when "the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in or a tangible personal benefit from a firm considered for a contract". Therefore, I understand that conflicts of interest may arise in, but are not limited to, the following situations:

    a) **Unequal access to information.** A potential contractor, subcontractor, employee, or consultant has access to non-public information through its performance on a government contract for disaster recovery services in Puerto Rico.
    b) **Biased ground rules.** A potential contractor, subcontractor, employee, or consultant has worked with a government contract or program with the basic structure or ground rules of another government contract for disaster recovery services in Puerto Rico.
    c) **Impaired objectivity.** A potential contractor, subcontractor, employee, or consultant, or member of their immediate family (spouse, parent, or child) has financial interests, or others, that would impair, or give the

appearance of impairing, impartial judgment in the evaluation of government programs in offering advice or recommendations to the government, or in providing technical assistance or other services to recipients of Federal funds as part of its contractual responsibility.

5. In the case in which the Proponent discloses to PREPA an apparent, potential, or actual conflict of interest, PREPA will take the appropriate measures to address the disclosure by taking the following actions, which include but are not limited to, eliminating, mitigating or neutralizing the apparent, potential or actual conflict, when appropriate, through such means as ensuring a balance of views, disclosure with the appropriate disclaimers, or by restricting or modifying the work to be performed to avoid or reduce the apparent, potential, or actual conflict.

6. If an apparent, potential, or actual conflict of interest is discovered by the Proponent after the Procurement Process concludes, it will make a full disclosure in writing to the contracting officer. This disclosure shall include a description of actions the Proponent has taken or proposes to take to avoid, mitigate, or neutralize the apparent, potential, or actual conflict of interest.

7. The Proponent has no present or currently planned interests (financial, contractual, organizational, or otherwise) relating to the contract or task order that may result from this Procurement Process that would create any apparent, actual, or potential conflict of interest (including conflicts of interest for immediate family members: spouses, parents, children) that would impinge on its ability to render impartial, technically sound, and objective assistance or advice or result in it being given an unfair competitive advantage.

8. The Proponent has exercised and will continue to exercise due diligence in avoiding, identifying, removing, or mitigating any apparent, potential, or actual conflicts of interest to PREPA's satisfaction.
