Dear Ms. Quiñones:

Re: PREPA's response to the Request for Clarification on the Status of the 400 MW Temporary Generation Contract

Reference is made to the letter dated August 14, 2026, submitted by Mr. Raphael Gignac, Vice President of System Operations, on behalf of LUMA Energy, LLC and LUMA Energy ServCo, LLC (LUMA), requesting clarification regarding the status of the 400 MW Temporary Generation Contract.

Please be advised that, on August 18, 2026, the Puerto Rico Electric Power Authority (PREPA) formally terminated the Power Purchase and Operating Agreement, Contract No. 2026-P00107, effective immediately upon confirmed receipt of the notice of termination.

Accordingly, the temporary generation project contemplated under that Agreement has been cancelled. Therefore, no further project evaluation, interconnection, mobilization, or other project-related activities should be undertaken in connection therewith.
We trust the foregoing addresses LUMA's request for clarification.

Cordially,

Mary C. Zapata Acosta
