Re: Notice of Delay

Dear Ms. Zapata Acosta:

As you are aware, Greenberg Traurig, LLP represents Power Expectations, LLC ("Power Expectations" or "PE") in all legal matters pertaining to the June 10, 2026, Power Purchase and Operating Agreement between Power Expectations, Enchanted Rock, LLC ("Enchanted Rock") and Reyes Contractor (as "Seller") and the Puerto Rico Electric Power Authority ("PREPA" and "Buyer") (the "Agreement").

After June 10, 2026, Enchanted Rock notified Power Expectations that it did not wish to continue with the Temporary Power Generation Project.

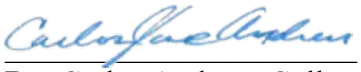

Accordingly, Enchanted Rock's interests were assigned to FloTek of Houston, Texas, a New York Stock Exchange listed company. Pursuant to Article XVI of the Agreement, Seller has requested PREPA to approve such assignment. As of the date of this notice, PREPA has not yet issued its approval. Seller remains committed to cooperating fully with PREPA's review of the proposed assignment and stands ready to promptly provide any additional information, documentation, financial assurances, legal assurances or other materials that PREPA may require in connection therewith.

Exhibit C of the Agreement provides that Seller is to deliver to Buyer an irrevocable letter of credit or a demand performance bond (collectively the "Performance Security"). Since the date of Agreement execution, Seller has been working diligently to obtain such Performance Security. However, Seller's sureties recently advised that the required Performance Security cannot be issued until PREPA had formally approved the assignment of Enchanted Rock's rights and obligations under the Agreement to FloTek (the "PREPA Approval").

Accordingly, pursuant to Section 2.5 of the Agreement, Seller respectfully requests an extension of the time to deliver the Performance Security until five Business Days after Seller receives the PREPA Approval.

Thank you for your consideration.
