Re.: Request for Information – Interactions or Lobbying Efforts Related to Temporary Generation Procurement

On September 4, 2026, the Government Committee of the Puerto Rico House of Representatives issued a written request for information following the public hearing held pursuant to House Resolution 42. Among the information requested, the Committee specifically directed the undersigned, to request from the Independent Third-Party Procurement Office ("3PPO") information and/or documents, concerning any interaction or attempted lobbying during the selection and contracting process.

As the entity responsible for administering the competitive procurement, maintaining its record, communicating with proponents, conducting the evaluation and qualification process, and carrying out the negotiations associated with it, the 3PPO is in the best position to identify and produce any responsive records. Accordingly, please provide any information and/or documents, in the possession, custody, or control of the 3PPO responsive to the Committee's request regarding any interaction or attempted lobbying during the selection and contracting process related to the temporary generation procurement. If no responsive documents exist, please confirm so in writing.

Because the House Government Committee has required us to provide the requested information within five (5) business days, no later than September 11, 2026, please provide the responsive documentation and certification to the Puerto Rico Public-Private Partnerships Authority ("P3A") and the Energy Czar, no later than September 9, 2026, so that sufficient time remains to review and organize the production response to the Committee. Nothing in this request should be interpreted as directing the outcome of the 3PPO's review or characterization of any communication. The 3PPO should independently identify and produce the responsive information based upon its own records and its administration of the procurement.

Thank you for your prompt attention and cooperation.

Cordially,

Signed by:
