Re: Request for Information and Adequate Assurance of Performance under the Puerto Rico Thermal Generation Facilities Operation and Maintenance Agreement; Chapter 15 Proceeding of NFE Global Holdings Limited (Case No. 1:26-bk-11268) and NFE Brazil Newco Limited (Case No. 1:26-bk-11269)

Dear Mr. Irizarry Velázquez:

Reference is made to the Puerto Rico Thermal Generation Facilities Operation and Maintenance Agreement ("GOMA"), dated as of January 24, 2023, by and among PREPA, the Puerto Rico Public-Private Partnerships Authority ("P3A"), as Administrator, and Genera PR, LLC ("Genera"). As Administrator of the GOMA, P3A has the responsibility to oversee compliance with the terms of the Agreement, including the management of Fuel Contracts and the continuity of fuel supply to the Legacy Generation Assets.

It has come to our attention that NFE Global Holdings Limited, an affiliate of New Fortress Energy Inc. (Seller Guarantor under the Gas Sales Agreement and Guarantor

under the Guarantee Agreement[1]), together with NFE Brazil Newco Limited, has filed a Chapter 15 proceeding in the United States Bankruptcy Court for the Southern District of New York. A Recognition Hearing is scheduled for June 26, 2026.

To fulfill our oversight responsibilities under the GOMA, and in light of the potential implications under Article 14 (Events of Default; Remedies), we require the following information and assurances:

1. A complete copy of the Chapter 15 petitions and all supporting documents, including identification of the underlying foreign main insolvency proceeding.

2. Confirmation whether NFEnergia LLC, New Fortress Energy Inc., or any relevant entity is a debtor or subject to the foreign proceeding or the Chapter 15 case.

3. Genera's detailed assessment of the current Creditworthiness of New Fortress Energy Inc. as Guarantor under the Guarantee Agreement and compliance or plan for compliance with Section 10.2.2 of the Gas Sales Agreement[2].

4. Confirmation that the Guarantee Agreement dated January 24, 2023, remains valid and in full force and effect, together with a copy of the current instrument.

5. Confirmation that the US$10,000,000 Seller Performance Security under the Gas Sales Agreement remains valid and in full force and effect, together with details of the issuer.

6. A comprehensive and actionable Contingency Plan to ensure uninterrupted natural gas supply, specifically addressing activation of Tolling Arrangements[3], availability of Backup Fuel (ULSD), and strategy for alternative suppliers.

[1] Guarantee Agreement dated January 24, 2023, attached as Exhibit A to the GOMA.
[2] Section 10.2.2 of the Gas Sales Agreement No. 2026-G00097 (replacement guaranty obligation).
[3] Tolling Arrangements under Section 22.12 of the Gas Sales Agreement No. 2026-G00097, which allow PREPA to deliver third-party LNG to Seller's facilities at a fee of US$0.50 per MMBtu and survive termination of the Agreement.

7. Copies of all communications between Genera and NFEnergia LLC / New Fortress Energy Inc. concerning this bankruptcy proceeding.

We would appreciate your complete response no later than June 15, 2026.

Thank you for your prompt attention and continued cooperation.

Cordially,

Rubén Lugo Mas
Compliance and Contract Manager
