Executive Summary

- Wood Mackenzie Supply Chain (formerly PowerAdvocate) has partnered with PREPA and their agent LUMA Energy to provide bid event management software, Sourcing Intelligence. This partnership with PREPA dates back to 2016.

- In 2023 LUMA asked that WMSC provide Sourcing Intelligence access to the 3rd Party Procurement Office of P3A, who will be running selected procurement events on LUMA's behalf, with the license to be managed by Regulatory Compliance Services.

- The attached proposal reflects continued access to Sourcing Intelligence for the 3rd Party Procurement Office, as well as the desire for control of bid events to be passed between LUMA, Genera, and the 3PPO upon request.
